

To Whom It May Concern:

The Balfour Sportsground Association is having a 'Balfour Backyard Beauties' family day out on Sunday 26th Febuary 2012, to fund an upgrade of the pavillon. This is an opportunity for individuals to display something they are passionate about, be it a car, motorbike or a piece of machinery, old or new. This is being held at the sports ground in Balfour from 10am until 4pm.

We are inviting your club to come along to enjoy our day aswell as showcase their own vehicles. We will have Market Stalls, Childrens events, BBQ lunch, Chocolate Wheel, and Cash Bar operating on the day.

There will be an entry fee of \$10 car or bike. We look forward to seeing you on the day and hope that you and your members are able to come.
