

SOUTHLAND HONDA TRACK DAY CLASSES

Beginner: (first timers) Coaching will be provided in this group, and passing is only allowed on the straight (on the right hand side)

Intermediate: This group is intended as a step up from group 1, or for those who may have attended other track days. Coaching provided, passing allowed on straight and brickyard , no heroes!

Expert: This group is for those who have attended other track days or faster bikes/riders. Passing allowed anywhere. No racing. No heroes. No crashing.

Race: This is for race bikes only. A full MNZ licence will be required or one event licence may be purchased.

RIDING GEAR REQUIRED FOR TRACK DAY CLASSES (Race Class requires all safety gear as per MNZ MoM Road)

You must provide helmet details with your entry.

Helmet safety standards are usually found on the helmet chin strap under the sleeve as in picture:

The Standard Approval Number is the circled E3 and Serial Number PJ0198594. The numbers must be readable. If they are unreadable, it's probably an old out of date helmet.

A full face motorcycle helmet that is in good condition with a clean visor. It is strongly recommended the helmet be less than 3 years old but cannot be more than 10 years old. No external mounts (e.g. Camera etc) allowed on helmet.
